Saturday Talks for Lent 11am

Cafe Neri open before each talk from 10:30

During Holy Week, when the Gospel accounts of the last week of Christ's life, passion and death are read, there is never enough time to look into all the details, scriptural references, and rich symbolic meaning contained in the text. This Lent, we are making time to do just that. Join us each week, beginning 16 March as we explore the most important week in human history.

## ST LUIGI SCROSOPPI SORGSSEN- TRUM/CARE CENTRE

In response to the words of St Luigi, the centre 'takes care of the young the Lord has entrusted to you as the apple of his eye', of those who 'have no voice and those who are treated unjustly,' that they 'may know that they are heard, defended and helped'.

St Luigi's is the umbrella organisation for a number of programmes aimed at empowering children and youth and encompassing many aspects of care and pastoral work in Oudtshoorn, South Africa. It is a refuge where disadvantaged children and youth can come to play, learn and receive good nutrition and healthcare in a safe, secure and loving environment.

St Luigi's offers children a safe haven from the world in which they live so that they can grow up believing that beauty and goodness can outstrip the harshness of their daily lives. At the Centre the child comes first — a child who can discover his talents and skills, strengths and weaknesses and ways in which to grow.
